Usage information

During an inspection, you may be asked to produce the exclusion/exemption voucher in addition to the personal data/identity document required to link the voucher to the person presenting it.
If a voucher has been received from an accommodation facility, inspection staff are entitled to register the personal details for subsequent inspections.
The validity of the exclusion/exemption status voucher is based on the reasons for which it is requested; the Municipal Administration reserves the right to verify the reasons declared and submitted in order to claim the exclusion/exemption status.

The Data Controller of the personal data processing is the Municipality of Venice.
The Privacy Policy in compliance with EU Regulation 2016/679 is published at this link:
